

YOUR MONEY GUIDEBOOK

A full-semester money course built to be played — not endured.

For K-12 students & youth programs · districts · boards of education · foundations

▶ Watch the 60-second intro

9 units

one semester

50-Q exams

70% to advance

All 6

national standards

WHY IT MATTERS

The mandate is here.

Personal-finance graduation requirements are spreading fast — but most kids still leave high school without the basics. ORG delivers a full, measurable semester.

30+

states

now require a finance course

70%

mastery

bar to advance, unit by unit

All 6

standards

CEE & Jump\$tart covered

THE CURRICULUM

Nine units, one standards-aligned semester

01

What Is Money

02

Goals & Your Money Plan

03

Earning: Income vs Wealth

04

Needs vs Wants & 50/30/20

05

Saving First & Banking

06

The True Dollar Scoreboard

07

Credit & the Golden Rule

08

Investing & Compound Growth

09

Protect & Build Your Legacy

★ **BONUS UNIT 10** Scam Spotter — a fast, ungraded 'Scam or Legit?' game for the end of the semester.

WHAT'S INSIDE

What's inside

50-question mastery exams

Drawn from a 100-question bank · 70% to advance.

Deep, plain-English lessons

~1,300+ words per unit.

Glossary

115+ money terms + a Vocab Quiz.

Scam Spotter — Bonus Unit 10

A 'Scam or Legit?' game.

Standards-aligned

All six CEE & Jump\$tart standards.

Teacher-light

Self-grading and self-paced.

THE STAFF DASHBOARD

Instructor Dashboard

A locked, passcode-protected staff view — class outcomes mapped to national standards, built right into the app.

Class at a glance

Students enrolled, on-track rate, average exam mastery, and units passed.

On-track donut

See at a glance how many students are passing units on pace.

Pre vs. post gain

Diagnostic before and after — measurable proof for boards and grants.

Unit mastery & standards

Each unit's pass rate and average exam, tagged to its CEE/Jump\$tart standard.

Standards coverage

All six national standards documented for board and grant reporting.

Passing-standard control

Set the mastery bar (e.g., 35/50) and share a class link that applies it.

HOW IT WORKS

How it works

1

Open the course

A gate, then the map.

2

Learn the unit

Two weeks of lessons.

3

Pass the exam

50 questions, 70%.

4

Unlock the next

Nine units, one semester.

WHAT YOU WALK AWAY WITH

What students walk away with

The basics, for real

Budgeting, banking, credit,
compounding.

Standards met

All six national standards.

Measurable mastery

Proof for the board & grants.

Confidence for life

Skills from the first paycheck.

A semester that pays off.

Nine units, mastery-gated and standards-aligned — plus a bonus scam-spotting game.

Educational curriculum — aligned to the 2021 CEE & Jump\$tart National Standards.
